His approach typically involves targeted prayer points, fasting, and prophetic declarations, all rooted in biblical principles. Over time, Goodman has expanded his teachings to include prayers specifically aimed at healing children with autism, often framing autism as a spiritual challenge that can be addressed through fervent prayer and faith.

The Philosophy Behind Autism Healing Prayers

Elisha Goodman's autism healing prayers are based on the belief that spiritual forces influence physical and emotional health. According to his teachings, autism is viewed not only as a neurological condition but also as a manifestation of spiritual challenges such as:

- Generational curses
- Evil spirits or ancestral spirits
- Spiritual attacks or strongholds

The prayers are designed to break these spiritual barriers, invoke divine healing, and restore the child's well-being.

Participating in prayer groups or seeking guidance from experienced spiritual leaders can provide encouragement and ensure prayers are conducted in a balanced and respectful manner.
